

RHGS Reminders

24 NOVEMBER 2017

Special Garden Rendezvous for the blokes: Friday 1 December at 10am

This is an opportunity for the men in the Society to visit the relatively new but well established garden of Robert and Glenda Bankier, at 3 Ryde Avenue, Mt Eliza and to meet afterwards for a coffee in the Village. The owners are keen gardeners who decided to convert the swimming pool into a reservoir to supply water for the garden during the summer months. It is a lovely garden and the pool conversion and irrigation system is an additional interest.

January 19th Meeting:

The fourth Friday in January is Australia Day so our regular meeting has been moved to the 19th January which is the third Friday in the month. Glenys Baker will speak about Native Plants. Please note that if a total fire ban is declared for the 19th the meeting will be cancelled.

We hope to arrange a garden rendezvous at Austplant in the following week. Further information on this will follow.

February 23rd Meeting:

Following on from suggestions received in the latest Survey, this meeting will be an opportunity for members to share their gardening knowledge and experience. If you have a plant in your garden and need help to identify it, or a plant pest or disease you wish to identify and eliminate – then please bring a sample to get the discussion rolling at this meeting. We encourage you all to bring something for the discussion.

We hope to arrange a garden rendezvous at Diggers in February. Further information will be provided in the New Year.

We wish you a very Happy Christmas – and look forward to seeing you back at the Mechanics Hall on Friday 19 January.
